

Digitel is a FinTech company that accelerates and simplifies the European payment ecosystem. We offer easy-to-integrate solutions that cover all needs for e-invoice presentment, electronic payments and access to bank movements.

1. Invoice presentment

E-invoicing management made easy (Peppol)

Digital alternative to paper invoicing

2. Payments

Online payments (card-based, account-to account, etc).

Payment QR codes, Pay buttons, SMS links, etc.

SDD mandates & payments

Split & merge payments (escrow account)

B2B Buy Now Pay Later

3. Open Banking

Account Information Service (AIS)

Payment Initiation Service (PIS)

WHY DIGITEAL?

Payment facilitator

Digitel is an authorized Payment institution and Third Party Payment service provider (multi-PSP) in the SEPA Zone.

Embedded in your solutions

Our APIs are designed to integrate seamlessly into your existing infrastructure.

European standards believer

We firmly believe that European standards (Open Banking, PSD2, PEPPOL...) bring security, transparency and efficiency to all stakeholders.

Teal management in the finance industry

We strongly believe that the financial industry must be at the service of both citizens and organizations.

ADDRESSING ALL YOUR CHALLENGES

- ▶ Paying and getting paid is the day-to-day reality for millions of consumers and businesses in Europe. These operations must be fast, simple and secure. They must also be ethical and allow the parties involved to run their operations in a healthy and sustainable way.
- ▶ Digitel's mission is to provide simple, comprehensive and integrated solutions to all challenges in the payments value chain.
- ▶ Our technological bricks easily adapt to the needs and specificities of all private and public organizations, whatever their size.

"Save up to 25% of your global invoicing & collection costs thanks to the expertise and solutions of Digitel !"

REFERENCES

- ▶ Several private & public entities get more value from their payment chain thanks to Digitel.
- ▶ Billing or accounting softwares, CRM, ERP editors, Document Service Providers (DSP) are part of Digitel Partners Community.
