Present for you

WAVEWEAR

wavewear

Wavewear Concept

WaveWear is the brand name of clothing and sleeves with compression and built-in kinesiology taping with adhesive bio-silicone technology, BWAS. Our products are designed to improve your game and help you perform at your best - whether you're an athlete or just someone who wants to look good while they work out.

Compression

support muscles and
joints warm-up faster

Kinesiology Tape

relieves muscle pain and
fatigue prevents injury
