

Bonidriver

Cross-company bonus system for truckers

Truck drivers must be valued more a **bonussystem** for truck drivers!!!

- ✓ Attract new professionals
- ✓ More employee satisfaction
- ✓ Strengthen collaboration
- ✓ Promote additional services
- ✓ Digitized processes

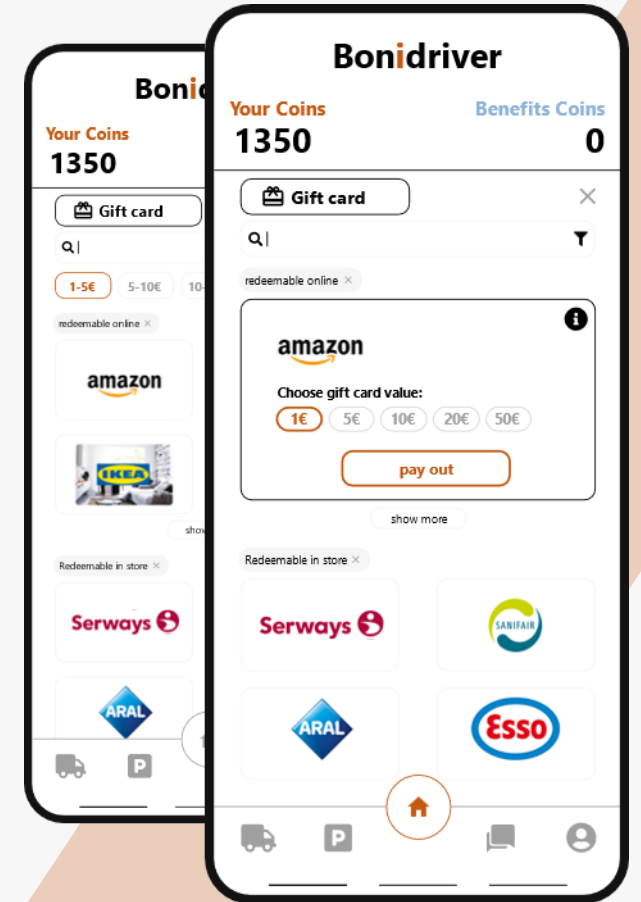

An attractive and digital collaboration with truck drivers

Bonidriver is a bonus solution that allows to **provide tax-free salary bonus to own truck drivers and subcontractor drivers** in the form of vouchers via a mobile application.

The truck drivers can also **earn additional vouchers independently by performing additional services** via the app, e.g. transport-tracking, damage registration, professional training, surveys, refueling bonus, ...

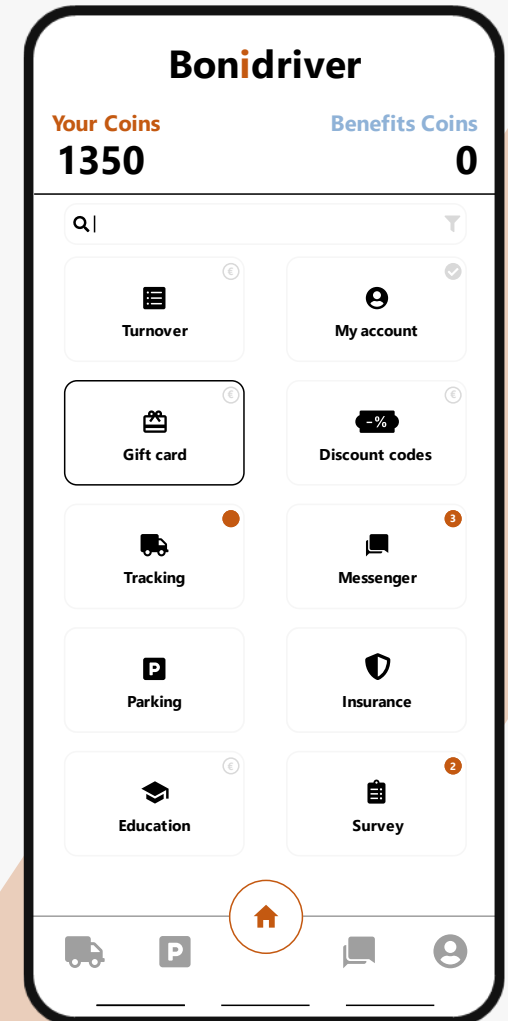

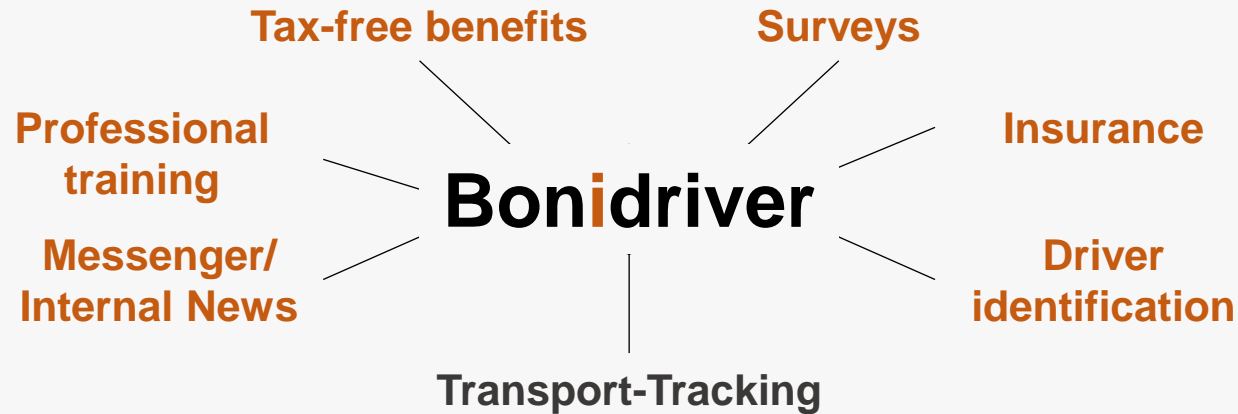

A “*Payback*”-System for Truckers.

Receive direct measurable value for the bonus

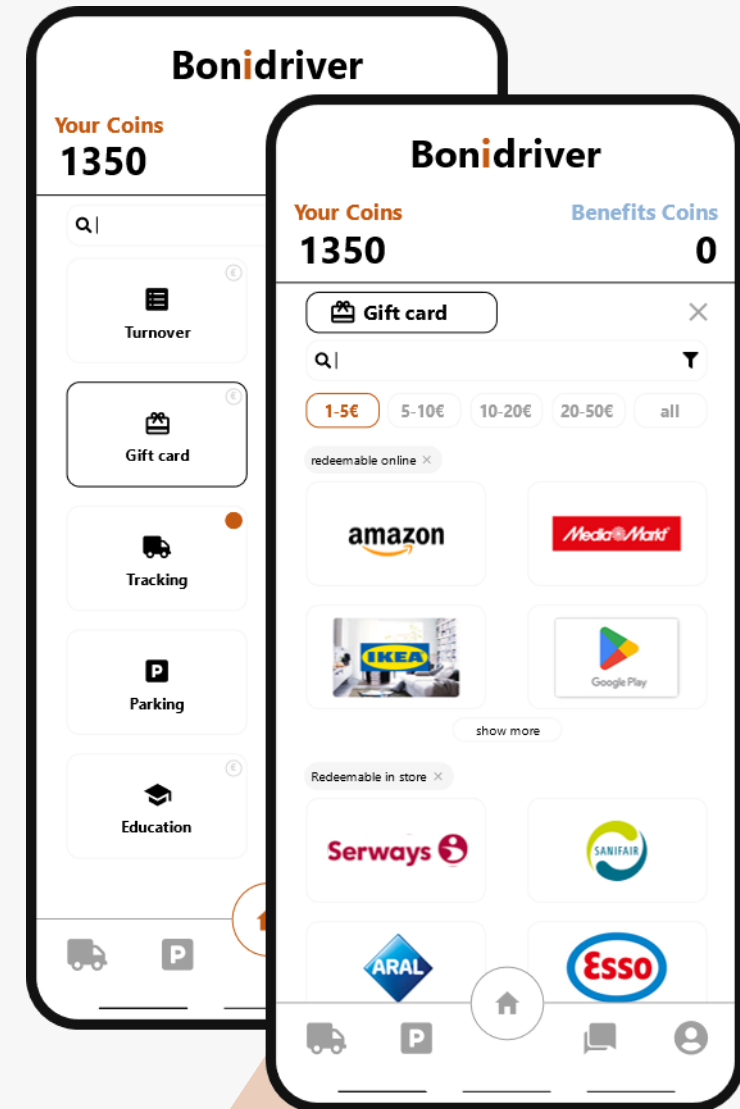

The voucher system forms the basis for ensuring active use of the app by drivers.

The companies receive a direct countervalue when they provide a bonus for additional services.

What are the **USPs**?

- No transaction fees
- Cross-company app usage
- Super app character:
 - ✓ Bonus system (Vouchers, Coupons)
 - ✓ Logistics messenger / news tool
 - ✓ Tracking function
 - ✓ Parking support
 - ✓ Driver identification
 - ✓ Surveys
 - ✓ Driver-Training
 - ✓ Insurance
 - ✓ Refueling bonus

What is the **general goal** of Boni**i**driver?

The Bonii**driver app is intended to become a super app** that serves as a neutral platform and can be used by any service provider to join and leverage or even further promote the app's strong distribution.

Every truck driver in Europe should be a user of the Bonii**driver app** to have the opportunity to earn extra money independent of the company.
