A thriving mobility platform in Italy

OUR MISSION:

**OFFER A MORE SUSTAINABLE, SIMPLE AND SHARED WAY
TO MOVE AROUND OUR CITIES**

We want to make the way **we commute** in our cities, more **sustainable** for **the people** and for **the environment, starting from** one of the most versatile transport service: **taxis**.

We shared the **benefits of innovation**, with our **users**,
and with all **our partners**, the **transport operators**.

A thriving mobility platform in Italy

Wetaxi

The best partner for transport operators

Collaborative Business Model

A flexible technology

Best operators for a top quality service

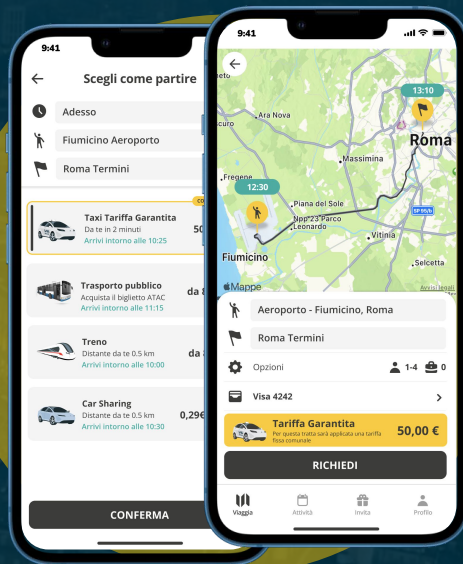

Innovative Technology

Digital Skills

Strong knowledge of mobility industry

400k users

1,6M rides

>20 cities

6.000 taxis

USP for Customers - What's make us different

YOU KNOW THE PRICE

Fix or ceiling price taxi

Wetaxi shows the **maximum cost** of the taxi ride in advance.

SHARING / POOLING

Cheaper, if you share it

If you're travelling to the main destinations in the city, Wetaxi **guarantees a 50% discount**.

MULTIMODAL

The first italian door 2 door service

Wetaxi and **Trenitalia** launched a **door to door service** to allow all the **60 millions** yearly train passengers to book a **door to door trip** combining **train and taxi services**.

MaaS

Wetaxi becomes a Maas Operator

Wetaxi is one of the **Maas Operator** selected by **Roma Capitale** and the **City of Milan**. The **pilot phase** will start in **July 2023**.

The MaaS service that connects Italy

Few options, the best options! Combining Taxi, LPT, CarSharing and trains to provide always the best solution.
