

Improving refereeing around the world

REFASSIST

OUR VALUE PROPOSITION

No pain, all gain

Operational efficiency

Let RefAssist boost your operational efficiency by appointing 80% faster or automating many of your repeating daily tasks.

Savings

Lower the costs for your federation by optimising every appointment and reducing mileages and travel expenses.

Recruitment & retention

Support and retain your officials by organising all training processes, courses and communication in a single solution.

Collection of data

Strengthen the daily work of all your stakeholders by allowing them to tap into a rich data-pool, streamlined by your software platform.
