ROSSIGNOL

BE THE CHANGE,
be essential

Essential, the result of a collaborative effort...

Designers, material engineers, production technicians and recycling specialists work tirelessly, hand in hand, to achieve ambitious goals and meet the challenges of design, manufacturing and marketing. From this collaborative, the Essential ski was born, a unique new Rossignol model, eco-designed with its complete life cycle developed in a circular economy.

...Which brings together all our communities in our global and open vision of outdoor activities

Because with Essential ski we have the power to act, we invite all mountain lovers to get more involved at their own level. Because when everyone contributes with their means, and cooperation is the rule, then everything becomes possible!

Performance and quality

It encapsulates our know-how to deliver the best precision, balance and durability.

Virtuous movement

Encourage a new and more responsible ski practice for all mountain lovers.

Recycled, certified & bio sourced materials represent 73% of the ski.
