CONTEXT

Carbon credits are “outdated”

Numerous controversies associated with carbon offsets due to **lack of transparency**

49000+ companies subject to **tougher regulation** across Europe and the US

WAY FORWARD

**Funding traceable impact programs has
become a must for organizations**

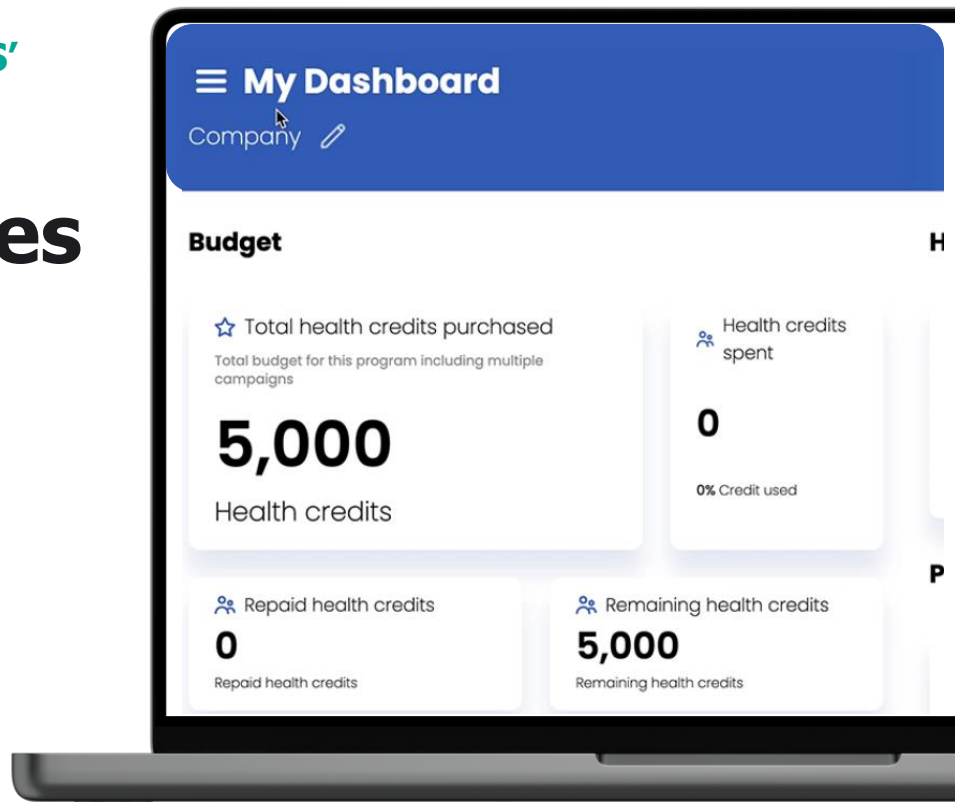

WAY FORWARD

**No climate change without
healthy societies**

OUR SOLUTION: EMBRACE 'HEALTH CREDITS'

KimboCare is a
platform for corporates
to fund traceable
healthcare programs
through a network of
verified
health providers
