OUR USER SAY IT BETTER THAN US

150 000 reviews

positive

4,7/5

of average rate

"Gained 2 points on my Bac Blanc, thank you !!! "

"I got my high school diploma thanks to your App, thank you!"

"First app I've found with full offline access. I'm thrilled! Small plus in terms of school partnerships."

"It's too good to review during lockdown, everyone get on the app to learn!"

"This app is great for reviewing certain courses. And also to guide you to schools or higher education."

"Now I understand everything and I use it every day"

"I love it! Better than notebooks, great app and plus I can review anywhere :) i recommend this app"

"It allowed me to discover training courses that I was not familiar with."
