

# THE **BtoB** MARKETING PLATFORM TO **SHOWCASE** YOUR BRAND

# Drive the depth of engagement of your audiences

# The inwink product

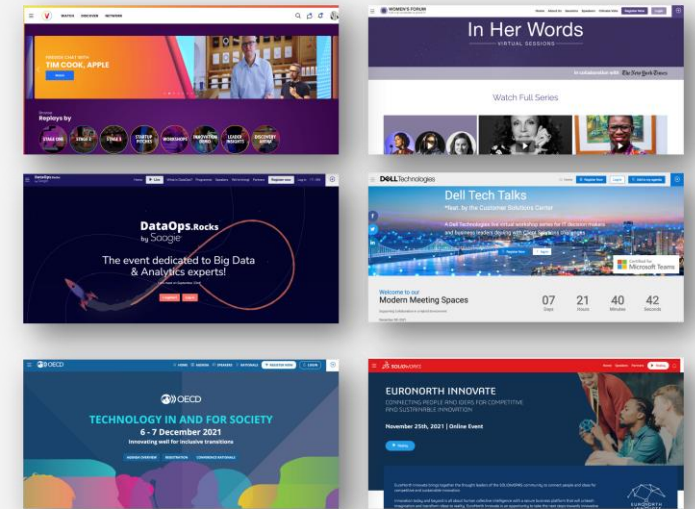

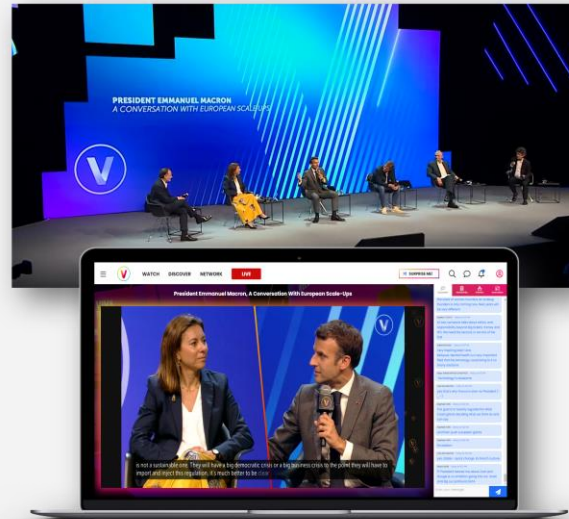

# Orchestrate online, in-person, and hybrid events, all 100%-branded

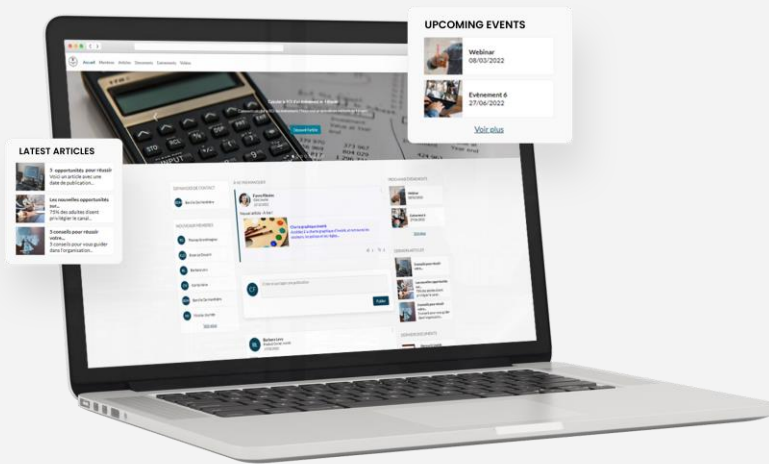

With **inwink Events**, you orchestrate your event from A to Z

With a **solution natively designed for hybrid events**, you can effectively augment your in-person event with a digital layer, and scale up the impact.

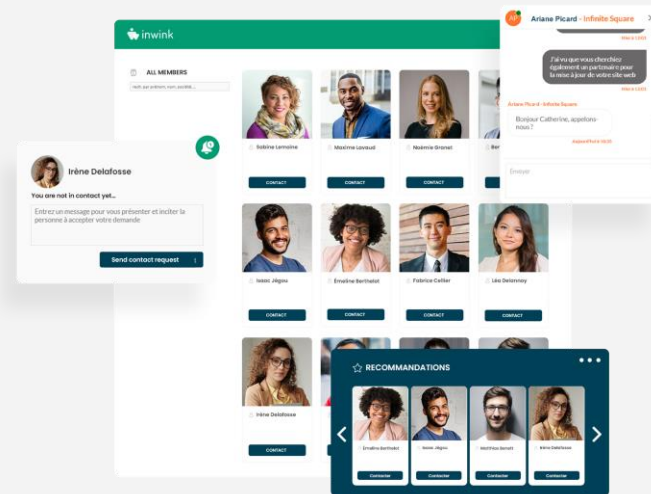

Create **your event website in a few clicks**. Your colors, your content, your URL, everything a showcase of your brand!

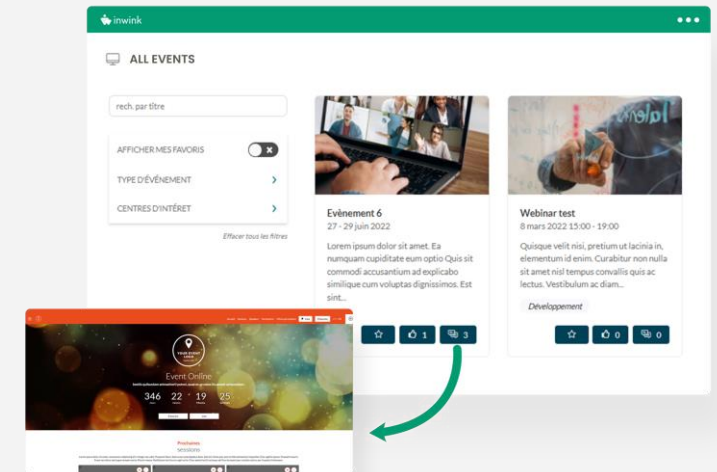

# Create a space online to **engage your communities** all-year-long

With **inwink Communities**, give your members a privileged space where they can interact and access premium content

Offer always-on **networking opportunities** to your members

Invite members to **exclusive webinars** reserved to the community

# All your data gathered in one single place

All the data you collect during your events and within your communities are **aggregated in inwink Data**

An interface of **personalized dashboards**  
To build an in-depth knowledge of your audiences
