ICE-C

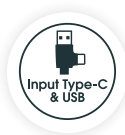

Charging cable

XP61137

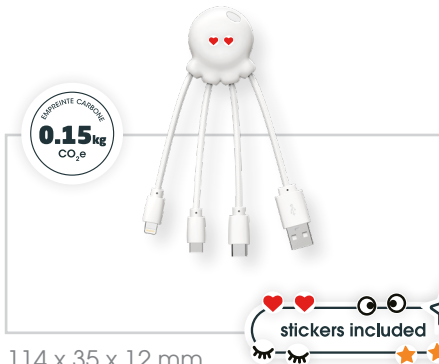

The new multi-connector cable made from GRS-certified recycled plastic. Its dual USB-C and Lightning input means you can charge your devices. Its data transfer function makes it easy to synchronise your devices anywhere, or connect your smartphone to your car for a smarter driving experience with the Car Play option. And the icing on the cake is its metre-long length, guaranteed to melt your heart!

Découvrez le nouveau câble multi-connecteurs fabriqué à partir de plastique recyclé certifié GRS. Sa double entrée USB-C et Lightning vous permet de recharger vos appareils partout. Sa fonction de transfert de données facilite la synchronisation de vos appareils, ou la connexion de votre smartphone à votre voiture pour une expérience de conduite plus intelligente avec l'option Car Play. Cerise sur le gâteau, il mesure un mètre de long, ce qui ne manquera pas de faire fondre votre cœur !
