DIY Craft Kits

FR version

Nous sommes Unwind Studio

Point de rencontre de **kits de broderie canevas** vraiment uniques, conçus par des artistes, qui vous aident à vous recentrer sur vous-même.

Charles Eames a dit "prenez votre plaisir au sérieux" car le temps que nous consacrons à prendre soin de nous est le meilleur investissement que nous puissions faire.

Nous collaborons avec des artistes du monde entier pour vous proposer des œuvres vraiment magnifiques sous forme de soins personnels.

Vous vous sentez inspiré ? Détendons-nous ensemble.

Nos kits comprennent tout ce dont vous avez besoin pour commencer votre projet à l'aiguille.

C'est une façon amusante et créative de se détendre, tout en créant votre propre art à un prix abordable.

Ce qui est inclus le **Kit Canevas Complet**:

- Toile imprimée de qualité supérieure avec biais de coton autour de la même
- 2 aiguilles à tapisserie
- Fils de haute qualité DMC
- Tract avec un diagramme de couleurs pour vous aider à broder
- Guide de broderie en français avec des instructions sur le démarrage du petit point, des conseils pour choisir les points et une bibliothèque de points préférés.
- Accès par code QR aux tutoriels d'apprentissage et de définition.
