Since 1990, the KDF French Foundry located in Provence works according fine casting as well as chemical cutting processes

The KDF Foundry operates in the following areas:

- Costume jewellery
- Fashion and leather accessories
- Goodies (medals, keychains, logos, etc.)
- Souvenirs...

The KDF Foundry is a team at your service which can carry out a collection from A to Z or intervene only at a specific stage of production:

- Graphic design
- Creation of 2D and 3D prototypes
- Moulding and sample printing
- Mass production
- Patinning, enamelling
- Rings shaping
- Welding
- Treatments and coatings
- Assemblies
