Collaboration Look Book

# Royal Pavilion x Peper Harow

We worked with one of our most local Museums, the Royal Pavilion in Brighton, to produce an original curated collection.

See this collaboration online [here](#).

Inspired by the hand painted decorative pillars in the first-floor south gallery of the Royal Pavilion.

Inspired by the hand painted wallpaper in the Long Gallery.

# Fitzwilliam x Peper Harow

This collaboration is based off our current Peper Harow designs, with a special twist from the Fitzwilliam Museum in Cambridge, UK.

See this collaboration online [here](#).

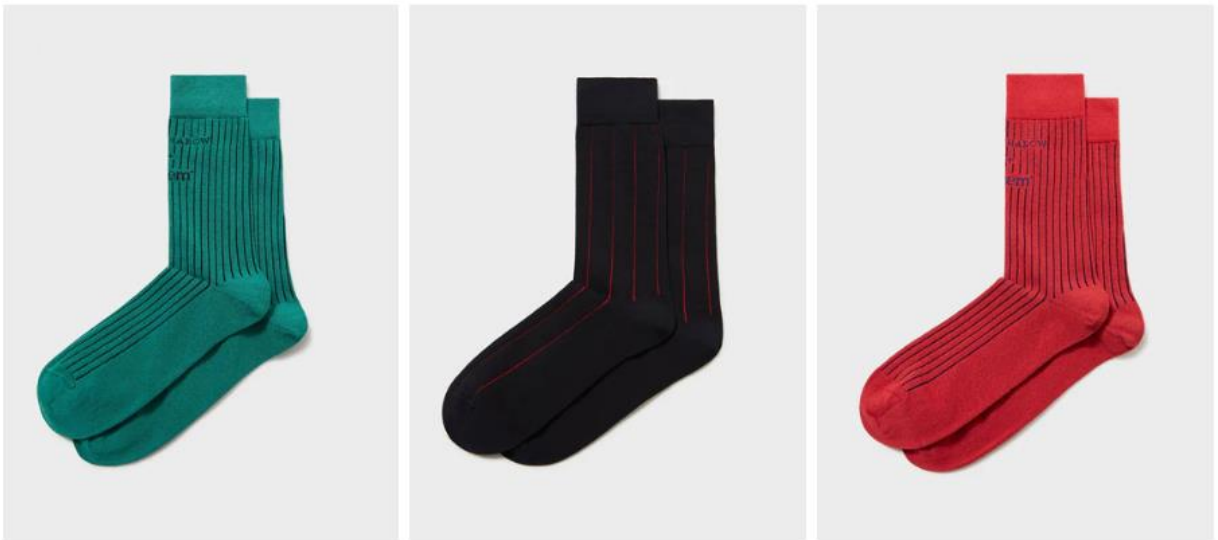

“Designed and made in the UK exclusively for Cambridge University Botanic Garden and Curating Cambridge by experts Peper Harow, fine purveyors of luxury British socks.”

# Neem x Peper Harow

This collaboration is made from GRS certified Recycled cotton, radiating our sustainability values.

See this collaboration online [here](#).

“These socks are a positive step towards a greener future. By using recycled materials, we're reducing waste and minimising our environmental impact.”
