A company that creates products that pays tribute to Arts and Culture.

At **Takemuseum** we promise Creativity, Quality and Innovation.

WHAT WE DO?

We develop unique and high-quality products, exclusive for museums, foundations, events, thematic parks/attractions and other cultures sites.

WHAT MAKES US BETTER?

360° vision: We can, not only develop exclusive concepts - that meet the need for uniqueness of each product demanded by our clients - but are also able to produce them and deliver on time.

Know-how & Attention to detail: two key aspects that allow us to develop project proposals that are appropriate to each partner and customer.

Personalization & Constant Assistance: we are proud to collaborate side-by-side with our clients. The singularity and uniqueness of each product we develop as well as the after-sales is a result of this open relationship.

US & OURS

We are a creative, enthusiastic and dynamic team that is proud to have a close relationship with our partners. Allowing us to meticulously monitor the manufacturing processes so we can offer our customers the very best in the best timings.
