BFM TV, France

## DISCOVERY

16:00 - 16:15

BREAK

16:15

### OPEN INNOVATION, A LEAP IN MEDICAL ADVANCES

SOCIAL IMPACT HUB

Medical innovation has always been behind closed doors with experiments, research and development done in secrecy for patents, intellectual property and pharmaceutical competitive advantages. What if all these development are made transparent from day one? And not just open-source, but we invite the world to participate in the actual contribution. We believe medicine, healing and curing are intellectual properties that belong to the world.

**SPEAKER:**

Dr. Hong Sheng Chiong  
Founder and CIO,  
OphthalmicDocs, New Zealand

### YOUR VOICE IS YOUR MESSAGE

WOMEN IN MEDIA HUB

We own the most powerful tool of communication that is our voice, and it is taken for granted. A conscious use of the voice is creating conscious sounds that touch, awake and support words that are truly listened to.

**SPEAKER:**

Noura Sadaka  
Leadership Coach and Voiceover Artist, UAE

### STAY FOCUSED, STAY HEALTHY

HAPPINESS HUB

Seema Shetty has built a career – and a business empire – by providing healthy solutions for eating and living well. She shares some of the secrets she has learned on the job and from her father and mentor, Dr. B.R. Shetty.

**SPEAKER:**

Seema Shetty  
VP of Corporate Excellence,  
NMC Healthcare, UAE

## AGORA
