

## About us

**Tout Pour Le Toutou** is above all the story of Melanie, who, returning to France after living for years in the United States, realizes the cruel lack of reliable intermediaries to look after her pup Malka.

After many disappointments and unhappy experiences, she left everything to found the first **e-concierge** with a network of **reliable and verified pet pampers** who would offer services that match the love we have for our animals: Tout Pour Le Toutou is born!
