

# PROGRAM DAY 1

- SYSTEMIC CHALLENGES  
FINANCE, POLICIES & EDUCATION
- SOIL HEALTH &  
MEASUREMENT
- NATURE-BASED SOLUTIONS  
& REGENERATIVE AGRICULTURE
- SOCIETY, ART & CULTURE

	GRANDE HALLE AGORA					
9.00 - 9.20	Opening Keynote					
9.20 - 9.30	Opening Remarks					
9.30 - 10.15	Mainstreaming Regenerative Agriculture					
10.15 - 10.45	From Pioneering to Mainstreaming Practices					
10.45 - 11.15	BREAK					
11.15 - 12.00	GRANDE HALLE STAGE 1	GRANDE HALLE STAGE 2	MAGASIN ELECTRIQUE STAGE 1	MAGASIN ELECTRIQUE STAGE 2	LAMPISTERIE	GRANDE HALLE ENTRANCE
	Designing and Implementing EU Soil Health Indicators	Ecological corridors and regenerative landscapes	Key investors for the transition	Changing The Narrative New imaginaries	Living Soils Workshop (on registration)	LUMA Arles Bioregional Innovation
12.00 - 12.30	Converging Indicators and Creating Standards for Regenerative Agriculture	Fostering Biodiversity through Agroforestry	Innovative Cooperation for Regenerative Farming in Portugal	Inspiring stories One life, many possibilities to drive change	Pitch Award “Coup de Coeur”	
12.30 - 1.00	Solution's Pitch Soil Health & Measurement	New expectations, new practices & challenges	Soils, Plant Material & Climate Opportunities & Challenges	Solution's Pitch Society, Art & Culture		
1.00 - 2.00	LUNCH BREAK					GRANDE HALLE ENTRANCE Discover LUMA Arles
2.00 - 2.30	GRANDE HALLE STAGE 1	GRANDE HALLE STAGE 2	MAGASIN ELECTRIQUE STAGE 1	MAGASIN ELECTRIQUE STAGE 2		
	Soil Health and Product Quality	Wetlands & peatlands Rich biodiversity ecosystems to preserve	Forecasting of and adapting to climate change	Farmers' livelihoods		
2.30 – 3.15	Innovations for Soil Health	Putting Nature on the balance sheet	Payment for Ecosystemic Services	The importance of Pollinators to Increase Crop Yield	LAMPISTERIE	GRANDE HALLE ENTRANCE
					Living Soils Workshop (on registration)	LUMA Arles Bioregional Innovation
3.15 – 3.45	BREAK					
3.45 - 4.30	GRANDE HALLE AGORA		MAGASIN ELECTRIQUE STAGE 1	MAGASIN ELECTRIQUE STAGE 2		
	Shaping the Policy Agenda for Regenerative Agriculture		Adapting to Climate Change, Mobilizing the Value Chain & Sharing and Insuring Risks	Pioneers’ Stories		
4.30 - 4.45	The State of Soils 10 Years after the Paris Agreement					
4.45 - 5.00	GRANDE HALLE AGORA					
	The Future of Soils					
5.00 - 5.10	Live from the USA: introduction with Arles					
5.10 - 5.55	Live from the USA: State of the Art regarding Regenerative Agriculture in the US					
6.00 - 6.45	Live from the USA: Regenerative Agricultural Practices in the US					
7.00 - 9.00	COCKTAIL					

# PROGRAM DAY 2

SYSTEMIC CHALLENGES:  
FINANCE, POLICIES & EDUCATION

SOIL HEALTH &  
MEASUREMENT

NATURE-BASED SOLUTIONS  
& REGENERATIVE AGRICULTURE

SOCIETY, ART & CULTURE

	GRANDE HALLE AGORA					
9.00 - 9.15	Live from China: introduction with Arles					
9.15 - 9.40	Live from China: State of the Art on Soil Regeneration in China					
9.40 - 10.30	Live from China : Regenerative Agricultural practices in China					
10.30 - 10.45	Changing Perspective - Recognizing the Power of Living Soils					
10.45 - 11.15	BREAK					
11.15 - 12.00	<div>GRANDE HALLE STAGE 1</div> <div>Scaling Regenerative practices with certifications</div>	<div>GRANDE HALLE STAGE 2</div> <div>Sustainable Gastronomy</div>	<div>MAGASIN ELECTRIQUE STAGE 1</div> <div>Providing training and assistance to farmers</div>	<div>MAGASIN ELECTRIQUE STAGE 2</div> <div>Regenerative practices in Provence</div>	<div>LAMPISTERIE</div> <div>Living Soils Workshop (on registration)</div>	<div>GRANDE HALLE ENTRANCE</div> <div>LUMA Arles Bioregional Innovation</div>
12.00 - 12.30	<div>Choosing the relevant regenerative approach and Certification</div>	<div>Raising awareness by informing Consumers</div>	<div>The Importance of Soils in Education and Training of Future Farmers &amp; Leaders</div>	<div>Water constraint and adaptation in Provence</div>	<div>Pitch Award “Coup de Cœur”</div>	
12.30 - 1.00	<div>Improving Soil Life: from Small Plot to Large Scale</div>	<div>Creating a virtuous circle between Hospitality &amp; Soils</div>	<div>Solution's Pitch Systemic challenges</div>	<div>Solution's Pitch Nature-based Solutions</div>		
1.00 - 2.00	LUNCH BREAK					<div>GRANDE HALLE ENTRANCE</div> <div>Discover LUMA Arles</div>
2.00 - 2.30	<div>GRANDE HALLE STAGE 1</div> <div>The power of Forests’ Soils and Regenerative landscapes</div>	<div>GRANDE HALLE STAGE 2</div> <div>Water stewardship: an imperative for living</div>	<div>MAGASIN ELECTRIQUE STAGE 1</div> <div>New Business Models for Agriculture</div>	<div>MAGASIN ELECTRIQUE STAGE 2</div> <div>Arts &amp; imagination</div>	<div>LAMPISTERIE</div> <div>Living Soils Workshop (on registration)</div> <div>GRANDE HALLE ENTRANCE</div> <div>LUMA Arles Bioregional Innovation</div>	
2.30 - 3.15	<div>Regenerative Farming in Fashion and Beauty Industries</div>	<div>Water stewardship: Solutions &amp; Regulation</div>	<div>Carbon &amp; Environmental Credits</div>	<div>Environmental Intelligence</div>		
3.15 - 3.45	BREAK					
	GRANDE HALLE AGORA					
3.45 – 3.55	Jury's "Coup de Cœur" Solution reveal					
3.55 – 4.10	Crafting a New Luxury					
4.10 – 4.55	Joining Forces					
4.55 – 5.00	Closing Remarks
