## A real work **philosophy**

Since his creation in 2004, our company has made a point of honor to develop values of respect and commitment with all of his partners, in order to satisfy our customers.

Our teams are committed to enabling the family business to stand out and offer quality services on a daily basis.

Over time, our range of services has expanded and now offers a global transportation solution to all of our customers.

Respecting our commitments is our primary concern !

Let's share these values together!

*Arnaud DESCHAMPS, CEO*

## A New Transport Vision

*"Adex is positioned as a major provider in the tailored delivery service, and exercises his knowledge in many areas."*

ADEX has always been sensitive to the image that his customers wish to convey, and therefore is aware of the challenges posed by "the last kilometer" of your goods.

It is by integrating these parameters that ADEX provides you with specific means to offer you "tailor-made" services.

Our fleet and all our equipment are regularly renewed to respond to your problems on a daily basis.

Our areas of expertise, perfectly structured, are divided into 4 activities:

**Transports**

**Logistics**

**Tour- Shuttle**

**Overseas**

Each of your requests is managed individually to scrupulously respect your specifications.

Our network of partners allows you to carry out your most complex projects all over Europe.
