

RÉVOLUTION
DE PALAIS
— PARIS —

About us

Revolution de Palais, a family affair in love with good taste and French elegance.

The creators work in couple.

She has the taste for beautiful things and the sense of harmony.

He worked in the gourmet world of chocolate and candy.

United in life as well as at work, they associated their skills and common passions.

Philosophy

Révolution de Palais creates genuine « little gems » for the prestigious cultural and touristic sites, always with an intention to offer a quality at the image of its clients per excellence and the french genius.

Having for leitmotiv to push always further the technical and creative boundaries for a more seductive aspect.

We personalize the mini tin boxes, scented candle boxes so that they become beautiful collector objects.

Create, Amaze, Seduce
