EMYLO

illustre votre quartier

Portfolio

Un lieu… ce sont des expériences vécues, des émotions, des rencontres, des découvertes. Quoi de mieux que **l'Art** pour exprimer tout cela ?

La photo immortalise un moment, **les cartes urbaines d'EmYLo** rassemblent tous vos souvenirs. Le quartier où vous vivez, celui où vous êtes né, un lieu que vous adorez… nous transformons vos souvenirs en une oeuvre unique.

Chaque carte est **dessinée à la main**, à l'encre, puis coloriée avec différents médium (gouache, aquarelle, marqueurs). Elle est ensuite imprimée en qualité **Giclee**, sur papier épais, non acide pour vous offrir des **affiches de qualité Musée**.

En plus des posters, les cartes urbaines se déclinent au travers de **différents produits** : Mugs, plateaux, papeterie, magnets, foulards…

Chaque produit est personnalisable en fonction du lieu, des monuments ou adresses à mettre en valeur.
