Black cat

NEW 2025 !

Simple and enchanting card game

2 to 4 players
52 cards from 1 to 13
4 suits

Chat Noir is a simple and enchanting card game, requiring strategy and some “cat” luck. It offers a bit of suspense, for animated games, and is distinguished by its superb vintage illustrations. Heir to classic card games, it will please everyone thanks to its ease of handling and its strategy.

Objective of the game

Score as many points as possible by playing combinations of cards, or by capturing those of other players, while having a secret lucky card that allows to multiply points at the end of the game.
