THE STORY

Charlie dans les étoiles... a mother/daughter adventure!

One morning, 5-year-old Charlie and his mother Vania, both born under the sign of Libra, have a discussion about the planets and go on a mission. They create a four-handed project together: CHARLIE DANS LES ETOILES!

The "I" of CHARLIE DANS LES ETOILES aims to give parents keys to understanding their children.

Is your child unruly? He is not necessarily hyperactive, look at the elements of his theme you will probably find a lot of FIRE there. He is thoughtful and creative, it is very likely that he is mainly composed of WATER.

Discover your strength of action, your communication, your creativity and all the stars that accompany you.
100% MADE IN FRANCE.

Astrology has always been part of my life.

However, it took many years before I allowed myself to train in it, it was a revelation, everything made sense!

I see Astrology as a real tool for personal development, it is not simply a question of knowing and understanding our character or what life has in store for us, but of identifying and accepting our gifts because we all have them, as well. than our inabilities.

From then on everything becomes possible, as long as we accept that no one has ever limited us, except ourselves!

It therefore seemed obvious to me that this fabulous tool should be able to be used by as many people as possible, in a fun and completely uninhibited way,

CHARLIE DANS LES ETOILES was born!
