Whispers of the sea L'oda de Joidart a la Mediterrània

El viatge fascinant que suposa submergir-se completament en una peça artística; un paisatge colpidor que, en contemplar-lo, esdevé una obra d'art de la natura, o la frescor del mar Mediterrani quan entra en contacte amb els peus. Aquest vaivé d'emocions i sensacions que ens generen l'entorn creatiu i la mateixa natura de l'Empordà i el Mediterrani han tornat a il·luminar les nostres creacions. I és que no necessitem allunyar-nos de casa per trobar la inspiració. Així, amb els cinc sentits activats, la mirada neta i la ment oberta, hem creat les noves col·leccions de joies de Joidart 2024.

Whispers of the sea
La oda de Joidart al Mediterráneo

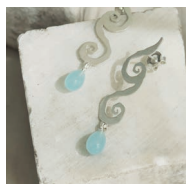

El fascinante viaje que supone sumergirse por completo en una pieza de artística, un paisaje arrebatador que al contemplarlo se convierte en una obra de arte de la naturaleza o el frescor del mar mediterráneo al entrar en contacto con los pies. Este vaivén de emociones y sensaciones que nos genera nuestro entorno creativo y la propia naturaleza del Empordà y el Mediterráneo, han vuelto a iluminar nuestras creaciones. Y es que no hay que irse lejos de casa para encontrar la inspiración. Así, con los cinco sentidos activados, la mirada limpia y la mente abierta, hemos creado las nuevas colecciones de joyas Joidart 2024.

Whispers of the sea
Joidart's ode to the Mediterranean

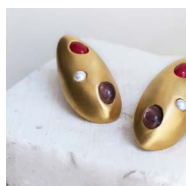

The fascinating journey of being completely immersed in a piece of art, a breathtaking landscape that becomes a work of art of nature when contemplated, or the freshness of the Mediterranean sea when it comes into contact with your feet. This ebb and flow of emotions and sensations generated by our creative environment and the very nature of L'Empordà and the Mediterranean have once again illuminated our creations. You don't have to go far from home to find inspiration. So, with our five senses activated, our eyes clear and our minds open, we have created the new Joidart 2024 jewelry collections.
