Exercise Books Deluxe

Two in one! The exercise book that is not a notebook and the notebook that is not an exercise book...this item is right between the two, making it multi-purpose. A glued straight back and a good robust cover with a nice, sturdy look. Also comes with a linen texture. Cover and interior made of FSC unbleached paper with no lines. Rounded corners available on request. The direct printing on the slightly rough cover paper provides a nice, saturated look.

We're seeing more and more often that alongside compact notebooks, there's also a need for larger writing books with blank pages. A hybrid, somewhere between a sketchbook and a notebook. For writers and artists...or anyone who simply enjoys writing on blank paper. FSC paper with a cream shade. Cover paper with a linen texture, creating a beautifully chic look. Or roughened paper with no finish. The dimensions mean that reproductions come out beautifully.

Design your own set of note cards with the most popular images of your collection, and we will produce the cards and a wallet-packaging for you. The glossy full color printed cards are presented in a wallet which contains 10 double greeting cards with 10 envelopes. We suggest selecting 5 designs for the notecards, and putting 2 of each design in the wallet. For an even more luxurious presentation we recommend the note card gift box including 20 notecards (square or rectangular) and 20 envelopes.
