CARTONIC 3D PUZZLES are an easy and **eco-friendly** way to create a genuine piece of cardboard art. It's as **simple as a 1-2-3** assembly of a famous head or object that you'll make with your own hands.

Once you're done, you can make your artwork even more unique by **painting it** or enjoying it as is in your **home decor**. But we should warn you that you might need a new one right after the assembly because the process is quite **addictive**.

CREATE, CALM YOURSELF, SHARE IT AS A GIFT, AND CARTONIZE YOUR ICON!
