At ESNAF TOYS® design meets play. These woden magnetic toys are all conceived and handcrafted in our boutique architectural studio and workshop. Unlike mass-production toys and knockoffs, we create original gifts that stand out and manifest what we stand for - beautiful spaces, free play, cleaner environment. They are a contract we make for more aesthetics, less clutter, no harm. Rare find for design lovers, pure joy for kids and grown-ups. Gifts to remember!

Made of natural materials, no lead,
no plastic, non toxic

Suitable for children 3+

These toys contain magnets

Best for: puzzle solving,
Learning animals, collectiong,
kids & grown-ups, combinatorics,
storytelling

Made of: natural materials

Origin: designed and made in Bulgaria, EU
by architects, using local suppliers
