ESCAPULARIO

we have been a renowned jewellery manufacturer from Nuremberg for more than 20 years. Our diverse range includes lucky charms, wooden and costume jewellery made in Brazil, as well as our special Mo`Beads mobile phone and key chains made from wooden beads.

We also offer personalised jewellery solutions for museums, retailers and hotels.

Our latest collection takes us back to our origins. Only realised in a more modern way. Leo patterns, saints as bag charms or accessories for mobile phone chains are just a few examples of what you can now discover.
