Artefatto

Artefatto cresce, e si trasforma.

Da oltre 25 anni amministriamo MuseumShop e realizziamo collezioni di prodotti destinati agli store di musei archeologici, mostre e siti culturali e turistici in tutto il mondo.

Vogliamo continuare a farlo, cambiando ed evolvendo così come cambia il mondo intorno a noi: da oggi ci riconoscerete con un nuovo logo, in una nuova sede, ed anche online, con la stessa passione e voglia di trasmettere quell'emozione, che da sempre ci contraddistingue.

Artefatto is growing and transforming.

For more than 25 years we managed museumshops and we have been creating product collections sold in museums stores, archaeological museums, exhibitions and cultural and tourist sites all around the world.

We would like to continue our job by changing and evolving as the world is changing among us. Starting from today you will recognise us with a new personalised brand logo, in a new headquarter and online with the same passion and willingness to transmit that feeling that makes us unique.
