THE STORY

Charlie dans les étoiles... a mother/daughter adventure!

One morning, 5-year-old Charlie and his mother Vania, both born under the sign of Libra, have a discussion about the planets and go on a mission. They created a four-handed project together: CHARLIE DANS LES ETOILES!

Charlie takes you to discover astrology.

Signs, planets and elements, you will learn to draw them, recognize them and discover all the archetypes!
