VOLTAWAY 

## CLOSE TO YOUR NEEDS

Founded on the **Basque Coast** in 2012, Voltaway conceives **soft mobility** solutions using the best compounds brands available. Thanks to our **exclusive designs and inovative concepts**, Voltaway distributes one of the most advanced e-vehicules on the market.

Voltaway e-bikes, e-skateboards and e-scooters offer a **green mobility solution** for all life explorers in an age where we make our best efforts to **protect all aspects of the environment** !

In an environment where air pollution and traffic congestion dominate the news, **we change the way you navigate** to make your life a **smooth ride** !

Our goal : make your daily ride an **adventure**, combining design, quality and performance to our **ocean/outdoor lifestyle approach**.

**ENJOY YOUR JOURNEY !**

- BATTERY : 13Ah / 468Wh
- BATTERY : 17.5Ah / 630Wh
- BATTERY : 21Ah / 630Wh
- AUTONOMY : 70 / 110Km
- CHARGING TIME : 5-6 H.

- MOTORCYCLE GOOSENECK FRAME
- WOOD FOOTBOARD
- WOODEN FRONT RACK
- LONG SADDLE
- BAFANG MOTOR 80Nm
- SAMSUNG BATTERY
- HOLLOWED DOUBLE WALL RIMS
- TEKTRONIC DISC BRAKES
- CITY FATBIKE TIRES (Ø 4")
- FENDERS
- MULTIPLE FIXATION POINTS
- CONNECTED LIGHTS AND DISPLAY

At least a gooseneck version of the Passenger!

Still the same race spirit, but better utility skills.

The gooseneck frame allows kids or luggage to take place on the footboard, for better riding experience. Its several fixation points allows to anchor plenty of dedicated accessories, from racks to footrests and bottles to bike locks.

Equipped with powerful bar light for safe night rides. Definitely a must have !
