

**Aligned.  
 Engaged.  
 Performing.**

**VISULT™, THE FIRST PLATFORM  
 OF COLLECTIVE AND INDIVIDUAL  
 PERFORMANCE**

**BUILD**

Digitize precisely your action plan and cascade it to the organization.

**MONITOR**

Follow the execution of your action plan in real time. Decide and act with agility.

**COLLABORATE**

Give freedom to your organization. Develop team contribution. Boost engagement.

**PERFORM**

Make your results predictable. Measure individual and collective performance.

**DID YOU KNOW?**

**80%** of employees do not understand the strategy of their company

**65%** of employees do not feel engaged with their company (committed?)

**WITH VISULT™:**

Managers know where they are and what to do

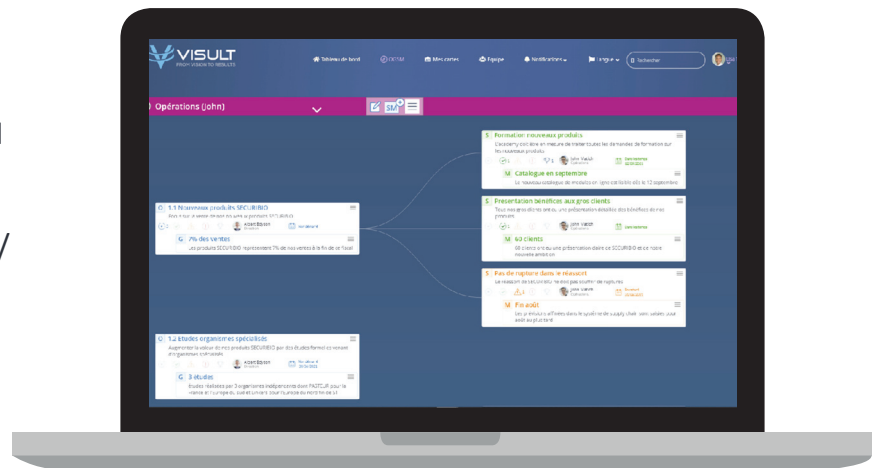

Employees understand the corporate project and become part of it

**VISULT**  
FROM VISION TO RESULTS

# Develop and execute your business vision

- ✓ Specify and decline your action plan (OGSM or OKR)
- ✓ Manage collective and individual performance
- ✓ Manage executive / operational / project committees
- ✓ Manage contributions and intrapreneurship

## You will be eager to work with VISULT™ because it is:

### SIMPLE

Ultra easy to learn, VISULT™ provides a synthetic vision of your company's performance.

### EFFICIENT

With its intuitive and visual interface, managers and employees know exactly where they are and what to do.

### COLLABORATIVE

VISULT™ promotes all types of collaboration, vertical or cross-functional, within a team as well as between departments, in the office or when working from home.

### ADAPTABLE

Compatible with information systems, VISULT™ interfaces with your HR system or ERP. Flexible, it adapts to objective methods, OGSM as OKR.

## VISULT™ allows everyone to deploy their vision and manage their achievements regardless of their position

### MANAGING BOARD

- ✓ Make decisions based on real-time factual data
- ✓ Cascading the strategy transparently throughout the company

### MANAGERS

- ✓ Give back meaning
- ✓ Reorient your agenda on value-added tasks
- ✓ Delegate and manage effectively remotely
- ✓ Promote the actions of its employees

### EMPLOYEES

- ✓ Clarify goals
- ✓ Get involved and contribute to the corporate project
- ✓ Be empowered on their own activities
