Accept Payments in Person

iZettle: securely process card and contactless payments, track sales, and more—right from your compatible smartphone or tablet.

- Accept all credit cards and contactless
- Set up fast, sell straight away
- Automatic synchronization between your online and offline store

QR code - your customers can pay through QR code and PayPal app. No need to handle cash or cards.

- Easy to download and use in PayPal account or in PayPal business app
- No transaction fees up to 31 December 2020*
- Useful seller kit tools

Now even faster access to funds – Business Debit MasterCard

Enjoy instant access to your available PayPal funds – in-person and online, wherever you see the Mastercard logo.

- Withdraw cash from your PayPal account from ATMs worldwide
- Earn cashback on eligible purchases
- No monthly charges and no foreign transaction fees from PayPal

* For sellers, transaction fees on QR code payments are temporarily waived until 31 December 2020. After that, you'll pay a fee of 0,50% + 0,20 EUR per transaction when your customers pay you in person. Other fees for using the PayPal Services may apply – see fees. Sellers can benefit from PayPal Seller Protection Policy for in person payments made using the PayPal QR code payment functionality on and from 14 September 2020.
