

SAUREA

"Let the sun be motor of innovation"

The autonomous solar motor

100% Solar 0% Electronic 100% Mechanical

10 years warranty & 20 years maintenance free
NO battery, NO wearing parts

FRENCH INNOVATION

www.saurea.fr

SAUREA, Solar AUtonomous RELiable Applications

The SAUREA motor?

Our photovoltaic motor converts **DIRECTLY SOLAR ENERGY** into **MECHANICAL ENERGY**, **WITHOUT ANY ELECTRONIC**, neither inside nor outside the motor.

The motor is suitable in **OFF-GRID sites & URBAN AREAS**

100% Solar,
Autonomous

50% Solar & 50% Electric
Energy Mix

OUR CHALLENGE: TO MAKE MOTORISED

Our uses:

- Water pumping: water extraction, drip irrigation, surface water transfer and deep pumping...
- Ventilation & Air extraction in industrial, urban, agricultural rooms...
- Water mixing: Aquaponics, pond aeration.
- Urban and suburban freshness areas.
- Green Art: Rotating sculptures & water games.
