

PROCUREMENT SERVICES FACTSHEET

Helping Clients Outperform by Transforming Procurement Ecosystems

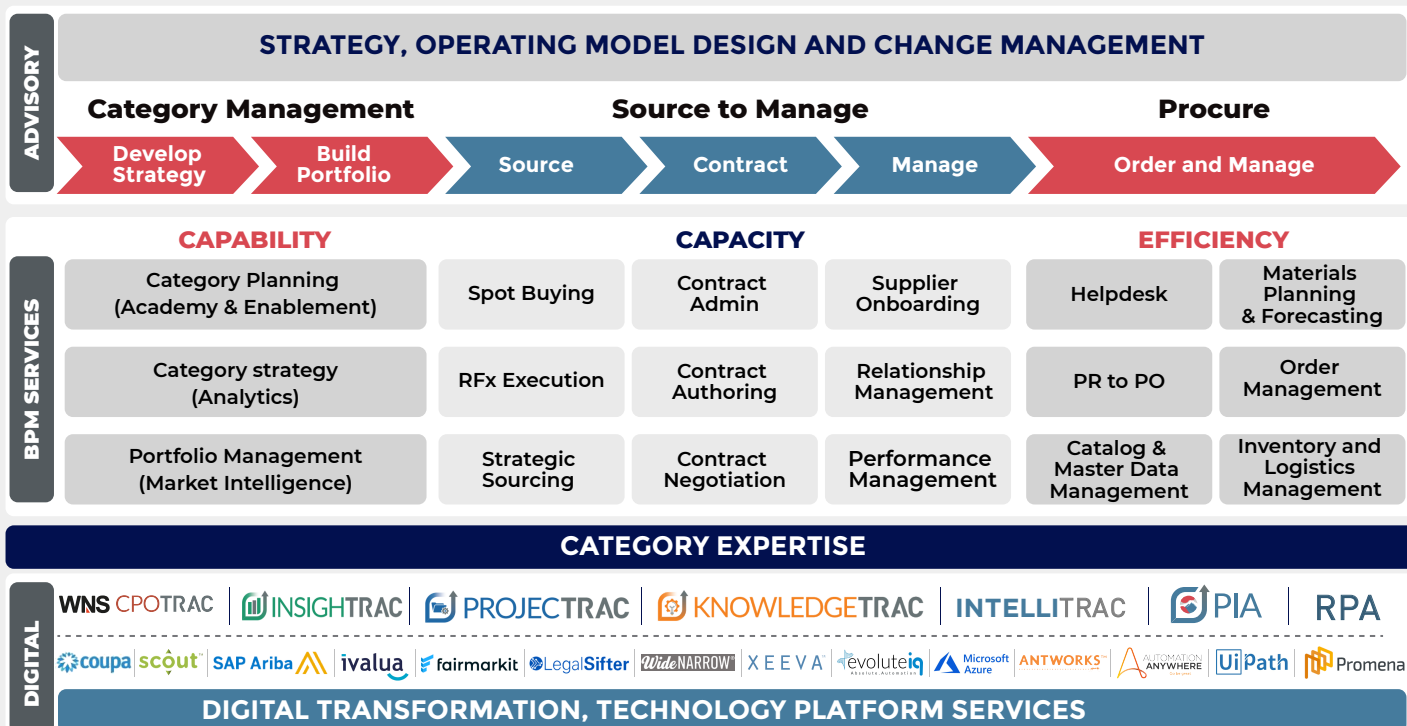

Outcome-driven companies partner with WNS Denali to operationalize their Procurement functions and improve financial performance and efficiency. With our support, Procurement teams shift their operating model to increase impact and reach within the business, broaden the value they generate, and streamline the end-user experience.

WNS Denali brings **20+ years** of strategic procurement experience. We successfully co-create procurement solutions with over **90 global clients** and manage more than **\$95 Billion** worth of spend across 150 procurement categories.

We provide a complete range of adaptable, digitally-enabled solutions that address every aspect of the procurement lifecycle. We meet our clients wherever they are in their journey by maintaining a tailored approach to our service offerings:

Advisory | Planning | Analytics | Sourcing | Contracting | Supplier Management | Transactional Procurement | Training
