SOURCE-TO-PAY

Generate Greater and More
Sustainable Value

- **Better Supplier & Spend Transparency**
- **Easier & Deeper Supplier Collaboration**
- **Greater Efficiency, Compliance & Adoption**

Integrated Source-to-Pay Across All Spend and Suppliers

The Ivalua Source-to-Pay (S2P) Platform provides unparalleled visibility and control across all procurement processes. Analyze your spend, execute sourcing strategies, negotiate contracts, streamline Procure-to-Pay, and manage suppliers.
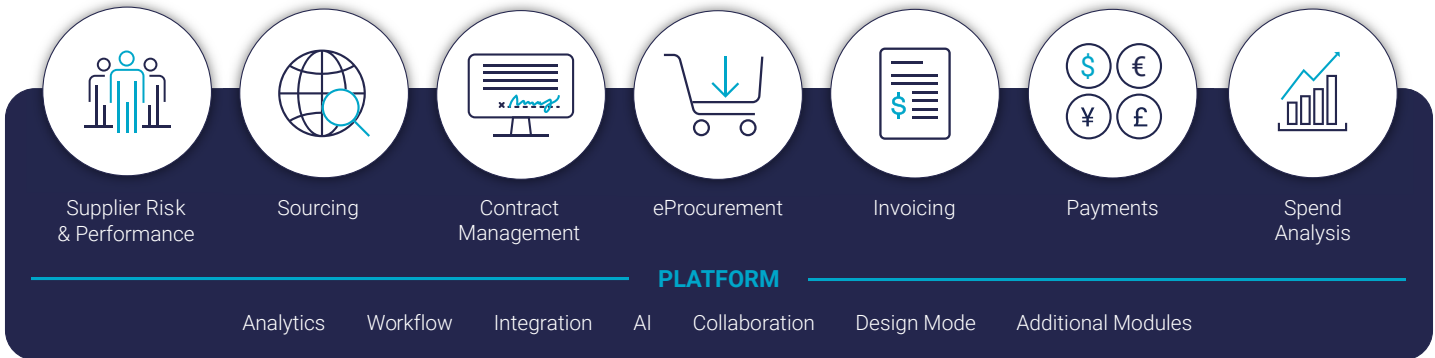

Why Integrated Source-to-Pay?

Reduce costs, manage performance and risk, improve compliance and strengthen supplier relationships. Ivalua's Source-to-Pay Platform digitizes the complete process across all spend and all suppliers, empowering your teams to generate greater value for your business.

## Turn the Source-to-Pay Process into a Value-Generating Cycle for your Business
