NIAONE : THE AI SYSTEMS HYPERVISOR
TURNING AI COMPLEXITY INTO CONFIDENT INNOVATION

Govern. Secure. Trust your AI.

NIATEC INNOVATES BY CREATING NIAONE, THE FIRST AI HYPERVISOR.

The AI revolution is accelerating — but most enterprises are losing control of their deployed systems. Budgets explode, risks multiply, and the AI Act will soon require traceability, security and transparency.

NiaOne, a unified platform that centralizes all AI systems of an organization
— to monitor, secure, and ensure compliance in real time.
The new layer of enterprise governance for the AI era.

Monitoring & FinOps

Real-time performance dashboards

Cost optimization insights

Predictive incident alerts

Compliance & Audit

Continuous AI Act & GDPR audit

Automated reports for regulators

Explainability & traceability

Security & Audit

Drift & anomaly detection

Access control & zero trust

Attack prevention & rollback
