# A family adventure

It's a wonderful family story that continues. Founded in 1967, Vignobles Raguenot flourished thanks to the pioneering and visionary spirits of Lise and Philippe Raguenot.

In 1997, their two daughters Emmanuelle and Marie-Pierre joined forces with their respective husbands, Daren Miller and Eric Lallez, took over the Château des Tourtes vineyard in the Blaye-Côtes de Bordeaux appellation. All four are in career transition, and thanks to their experience and talents, they have taken up the winegrowing profession, each having taken further training in viticulture and oenology.

In 1998, the four musketeers acquired the vineyard of Château Haut Beyzac in the Haut-Médoc appellation.

Their skills, motivation and, above all, their passion for the world of wine have enabled them to gain a strong international reputation thanks to their attention to detail, regularity of work and irreproachable quality.

Since the creation of Vignobles Raguenot, their reputation has never wavered.

Over the past 25 years, they have won more than 100 medals, and every year they receive numerous press articles rewarding their commitment to the winegrowing profession.

Vignobles Raguenot now represents over 100 hectares of Bordeaux vineyards.

# Our values

## **INNOVATIONS OF THE DAY - LEGACY OF THE PAST**

At Vignobles Raguenot, the quest for innovation, the transmission of winemaking know-how and a deep attachment to the land have been essential pillars that each generation has perpetuated with passion since the creation of this family estate.

We are always on the lookout for the latest trends, with a genuine sensitivity to environmental issues and a deep awareness of changing consumer trends.

It is in this dynamic and enthusiastic spirit that we are moving towards ever more sustainable, innovative and responsible practices, in order to enhance, preserve and pass on our heritage to future generations.

## **HVE3 & ORGANIC FARMING: A COMMITMENT FOR THE FUTURE**

Vignobles Raguenot is committed to sustainable viticulture, cultivating a deep respect for its environment. Preserving the terroir is a priority for the estate, in order to pass on this exceptional natural heritage to future generations.

Certified High Environmental Value (HVE 3), with organic certification for 17 hectares of our vineyards, we implement responsible practices aimed at protecting biodiversity and preserving the soil, including careful management of water resources, a well-thought-out phytosanitary strategy and fertilization management that respects natural balances.

## **INDEPENDENT WINEGROWERS**

As a member of the Independent Winegrowers Federation, Vignobles Raguenot stands for authentic viticulture, rooted in the diversity of Bordeaux terroirs and supported by family know-how.

The estate strives to produce wines that combine character, elegance and respect for the environment, while always surprising wine-lovers with classic, prestigious and sometimes ephemeral cuvées.

**Vignobles Raguenot is much more than a vineyard: it's a story of passion, commitment and respect for the land and those who work it.**

# *A forward looking vision*

Dynamic and often visionary, driven by a love of beauty, good taste and a deep respect for our land, we create elegant, bold wines.

Classic or prestige, sometimes ephemeral and surprising, our award-winning cuvées enjoy a strong international reputation and are present in over 25 countries! All are acclaimed for their finesse, complexity and unique aromatic expression.

Our forward-looking approach, the impeccable quality of our work and our quest for excellence continue to win over wine lovers and professionals the world over!

Our wines are characterized by their quality, reflecting the richness and diversity of our terroirs, with a wide range of wines from 8 appellations: AOC Blaye Côtes de Bordeaux, AOC Blaye, AOC Bordeaux, AOC Bordeaux Clairet, AOC Bordeaux Rosé, AOC Crémant de Bordeaux, AOC Bordeaux Supérieur, AOC Haut-Médoc.

We offer white, red, claret and rosé wines; still or sparkling; packaged in glass bottles, cans and BIBs; certified HVE 3, organic or without added sulfites.

We're also pioneers in the production of a range of TIP TOP de-alcoholized wines, which we've been marketing since 2023.

# TIP TOP

## LOVE FOR BORDEAUX WINES

*Alcohol-free. No compromise.*

### FROM BORDEAUX WITH LOVE

As Independent Winegrowers based in the Blaye Côtes de Bordeaux (Right Bank) and Haut-Médoc (Left Bank) appellations, we place the utmost importance on the quality and authenticity of our products. That's why we're proud to introduce our beloved alcohol-free range, Tip Top — a line that elevates our Bordeaux wines for uncompromising pleasure!

### A VIRTUOUS DEALCOHOLIZATION PROCESS

Our dealcoholization method — low-temperature distillation, also known as vacuum distillation — preserves the organoleptic integrity of our wines. Thanks to this innovative and precise technique, we successfully remove the alcohol while maintaining the subtle varietal aromas and aromatic complexity that make our cuvées so distinctive.

### AUTHENTICITY WITHOUT COMPROMISE

For our TIP TOP range, we make no concessions on quality. That's why our alcohol-free wines contain no artificial additives: no synthetic aromas, no sweeteners, no liquid tannins. Nothing but wine, in all its purest essence.

This strict approach allows us to proudly claim the "dealcoholized wine" designation — a true mark of excellence and transparency.

### AWARD-WINNING WINES, UNMATCHED EXPERIENCE

Since their launch in 2023, our TIP TOP wines have earned top medals at the No & Low Wine Awards by The Drinks Business magazine — the global benchmark for alcohol-free beverages. By choosing TIP TOP, you're opting for the must-have in premium dealcoholized Bordeaux wines.

Time to raise a glass and share the Bordeaux love — with zero compromise!
