

## WHEN QUALITY ENTHUSIASTS ARE AT WORK, IT SHOWS:

All wine guides rank us among the best wineries in the Rheingau region: The highly respected EICHELMANN wine guide awards us 4 stars as an "outstanding producer" in Germany. Every single wine is rated as very good or excellent.

With our two Crémants, we are pioneers in the Rheingau region, representing the pinnacle of German sparkling wine production.

Our non-alcoholic DESERTEUR line has received multiple excellent ratings: gold and silver at Mundus Vini and test winner in the Süddeutsche Zeitung and Falstaff magazine.

Since 2020, we have been certified by FAIR'N GREEN for ecological, economic, and social sustainability. We measure our carbon footprint from the vine to the customer and are among the best in the world in this regard.

# WEINGUT BIBO RUNGE

## DESERTEUR

OUR ACOHOL-FREE LINE

## DESERTEUR ALCOHOL-FREE

The basis for our alcohol-free wines is a top-quality wine, as you would expect from BIBO RUNGE. A DESERTEUR that guarantees enjoyment. Our non-alcoholic wines are characterized by low sugar content and very low calorie values. The flavor profile is rather dry, but still fruity and intense.

The awards also demonstrate the exceptional quality. Our DESERTEURS have already won multiple trophies.

## SPARKLING RIESLING & ROSÉ

Our perfect alcohol-free aperitif.

Two Sparkling Deserteurs, one idea: pure, alcohol-free pleasure. Made from 100% Riesling from our region and finely crafted by winemaker Markus Bonsels. Sparkling Riesling shows notes of vanilla, honey and citrus, while Sparkling Rosé adds a splash of red wine with aromas of berries and citrus — vibrant, elegant and unmistakably BIBO RUNGE.

## PINOT SECCO ROSÉ

A finely balanced cuvée of Pinot Noir and Pinot Blanc, crafted with utmost care. After gentle dealcoholisation, we added a delicate dosage from one of our finest wines and a subtle sparkle.

The result: a refined, vibrant aperitif that delights both palate and heart.

## DESERTEUR: A TRACK RECORD OF OUTSTANDING ALCOHOL-FREE QUALITY

## RIESLING & GRAND ZERO

DESERTEUR Riesling – our award-winning classic, gently dealcoholised and finished with a secret BIBO RUNGE dosage for pure, vibrant flavour.

The DESERTEUR GRAND ZERO is the first ever made alcohol free wine out of a GranCru plot, hand picked grapes from 2017, spontaneously fermented in oak barrels. The absolute maximum in the ZERO segment, apparently only 1000 bottles are available.

## PINOT NOIR

For those who enjoy wine consciously – and don't want to compromise on character. An elegant Pinot Noir made from German Pinot Noir grapes. With aromas of ripe cherry and delicate vanilla, dry, fruity, and with a long finish.
