WINE EXPERTISE

BLANC DE BLANCS ALCOHOLFREE

Art. Nr. 6004

origin:	Markgräflerland
soil:	loess-loam
product type:	sparkling drink made from dealcoholized wine
grape varieties:	Pinot Blanc
production:	This non-alcoholic Blanc de Blancs is made from early harvested Pinot Blanc grapes, which are gently pressed. After approx. 6 months of barrel maturation, the alcohol is very gently removed from the base wine using vacuum distillation. This preserves the aromas, clarity and freshness typical to the grape variety.
aromas:	Fine notes of citrus fruit, peach and a hint of nutmeg. Lively, refreshing with a fine acidity and delicate perlage on the palate. Wonderful as an aperitif for receptions, with a cold buffet, with light vegetable dishes and with fish and seafood.
serving temperature:	6-8 °C
storability:	3-4 years
