WINE EXPERTISE

ROSÉ ALCOHOLFREE

Art. Nr. 6003

origin:	Markgräflerland
soil:	loess-loam
grape varieties:	Pinot Noir
product type:	sparkling drink made from dealcoholized wine
production:	The non-alcoholic rosé is made from early harvested Pinot Noir grapes, which are gently pressed. The alcohol is gently extracted from the base wine by vacuum distillation, which is carbonated to give it its lively effervescence before bottling.
aromas:	Delicate notes of strawberries, raspberries and lemon peel on the nose. Lively, fresh and sparkling on the palate with stimulating acidity and subtle fruit sweetness. Wonderful as an aperitif for receptions, cold buffets and with fish and seafood.
serving temperature:	6-8 °C
storability:	2-3 years
