WINE EXPERTISE

CREATION ROUGE ALCOHOLFREE

Art. Nr. 6008

origin:	Markgräflerland
soil:	loess-loam
product type:	dealcoholized red wine
grape varieties:	Pinot Noir, Merlot and Cabernet
production:	A unique combination of grape varieties was devised for Creation Rouge to create a particularly rich, aromatic red wine. After fermentation, the alcohol is very gently removed from the young wine using vacuum distillation. This allows the Mediterranean aromas and balance to remain in this red wine.
aromas:	Powerful aromas of dark berries such as blackberry and blackcurrant paired with spicy notes. Full-bodied, Mediterranean on the palate with distinctive tannins. Ideal with hearty dishes such as roast beef, roast lamb and grilled vegetables.
serving temperature:	10°C
storability:	2-3 years
