## **Introducing Our New Alcohol-Free Mocktail**

### ***Our Family Estate***

A family-run vineyard for five generations, our estate preserves a heritage of craftsmanship passed down through the years. With over 25 years of experience in crafting Cognac-based cocktails, we have consistently combined tradition, high standards, and innovation to offer authentic and unique products.

### ***A Recognized Expertise***

Our know-how is built on mastering raw ingredients, respecting aromatic balance, and maintaining a constant pursuit of quality. This dedication has allowed us to develop creations that truly reflect the identity and history of our estate.

### ***Nuit Blanche: Our Best-Seller***

Born from a night of inspiration, Nuit Blanche Vanilla Cognac has become a flagship product in our collection. Loved for its freshness, balance, and originality, it appeals to a wide audience and perfectly embodies the spirit of our house.

### ***An Innovation Born in 2025***

In August 2025, Valentin, son of vineyard owner Dimitri Perochain, set out to take on a new challenge: developing a non-alcoholic beverage concept that would stay true to the estate's identity. From this initiative came a new creation blending family heritage, modernity, and innovation.

### ***An Innovative Mocktail Made from Ugni Blanc Grapes***

In 2026, we are delighted to introduce the alcohol-free version of our best-seller, Nuit Blanche. Crafted from Ugni Blanc grape juice a variety traditionally used in Cognac production, this 100% alcohol-free mocktail offers an elegant and innovative alternative for non-alcoholic drink enthusiasts. It stands out with its delicate blend of grape juice and natural vanilla flavor, with no added sugar. This creation is a perfect expression of our commitment to producing exceptional products.

### ***Our Brand: Le Vieux Moulin, Established in 1741***

Through our brand Le Vieux Moulin, established in 1741, we carry on this family passion by offering a diverse range of products: Cognac, Pineau des Charentes, Cognac-based Cocktails, Charentais country wine, and now, our very own mocktail.
