# ***WE HAVE A VISION***

A tailor made make-up factory that represents the *smartest* choice in the jungle of today's beauty industry.

# OUR STEPS IN THE COSMETIC INDUSTRY

Italcosmetici is an established, makeup contract manufacturer present in the market since 1980. The experience we have gained during the past 40 years is our added value and allows us to work every day with an eye to the past, our head in the present and our heart to the future.

We design and manufacture innovative and high-performance make-up products with rigorous standards of quality, safety and respect for the environment.

We provide an integrated and customized service to our clients by identifying and positioning new products on their reference markets and by supporting them in their path to success.
