

iTiT COSMETICS

**YOU THINK
MAKE-UP
WE CREATE IT**

A YOUNG ENTERPRISE WITH INNOVATIVE IDEAS & HIGH-TECH PRODUCTS

Founded in 2011 by Raquel Melgarejo Antequera and Mirko Panico, iTiT Cosmetics is a contract manufacturer specialized in make-up and face treatments. Our main goals are to follow the highest quality standards and to satisfy all the client's requirements and needs.

ONE MISSION: MAKE CLIENT'S DREAMS COME TRUE

Our mission is absolutely new and unique:
being a real partner that puts ideas into practice creating exclusive cosmetic
projects following the highest quality standards. Ideas and concepts become
concrete and real.

THE HEART OF INNOVATION, WHERE IDEAS BECOME REALITY

A high level of expertise as well as creativity and innovation are the main strengths of the research laboratory of iTiT Cosmetics. Exclusive raw materials and technologies create unique textures and products, driven by the latest trends and consumer needs.

WHAT WE CREATE

Lips products

From care to bold color, to create your personal style:

- 💧 **Lip care products** (scrub, balm, primer, mask)
- 💧 **Lipstick** (classic stick, chubby stick or automatic pencils)
- 💧 **Liquid lipstick**
- 💧 **Lip gloss**
- 💧 **Solar protective balm**

Eyes products

All the essentials to define your look:

- 💧 **Mascara** (black, colored, ultra-black, waterproof, curative, primer, top coat)
- 💧 **Eyeshadow** (poured)
- 💧 **Eyeliner** (creamy and marker)
- 💧 **Eyebrow** (primer, tints, gels and lotions, fixers)

Face products

The best products to create the perfect canvas:

- 💧 **Foundation**
- 💧 **Face primer**
- 💧 **Concealer**
- 💧 **BB & CC cream**
- 💧 **Sunscreen** (from 6 to 50+ SPF)
- 💧 **Blush**
- 💧 **Highlighter**

All textures can be personalised in terms of colors, finish, fragrance, active ingredients, in order to meet our client's needs.

SERVICE TO OTHERS LEADS TO GREATNESS

iTIT Cosmetics provides all the strategic support to turn an idea into a best seller: trend scouting, dedicated R&D research, exclusive formulation, packaging sourcing and clinical tests.

Our clients can choose among these services:

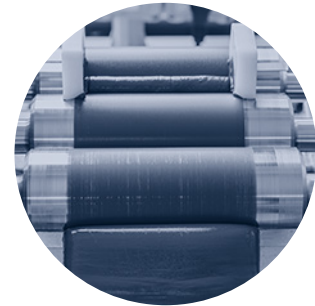

Full service

From ideas
to final products.

Fill service

Your packaging, our formula
and production line.

Bulk service

Our formula,
your production line.

QUALITY IS NOT AN ACT, IT IS AN HABIT

The quality of iTiT products, production processes and management have obtained the UNI EN ISO 9001: 2015 certification for quality management procedures and ISO 22716: 2007 for the application of GMPs (Good Manufacturing Practices or Good Manufacturing Standards) in the cosmetic sector. Some of our products have also the Ecocert COSMOS NATURAL and Ecocert COSMOS ORGANIC

which guarantee the use of components of biological origin, place clear limitations on methodologies and processes of chemical synthesis and transformation of natural products (plant, animal or microbionic-based), and prohibit the use of raw materials derived from animals or plants that appear in the European and International Lists of protected species.
