CATALOGUE 2026

Making Art Accessible

LOQI collaborates with artists from every corner of the globe. Louise Bourgeois, Guerrilla Girls, Alex Katz, Martin Parr, Thierry Mugler and more than 300 artists have been in the LOQI collection. That's why there is a LOQI for everyone.

From the Guggenheim to Galleries Lafayette, you can find LOQI almost anywhere on this tiny planet. Our bag designs are as colourful, bold, and diverse as life itself.

OH and did we mention our bags are made from metallic, reflective, transparent and **100% recycled** material?
