

The background of the entire page is a reproduction of an Impressionist painting, likely by Claude Monet, depicting a garden scene. In the upper portion, there is a dense, textured wall of green foliage and trees. Below this, a rustic wooden fence runs horizontally across the frame. The foreground is dominated by a lush, colorful garden bed filled with various flowers, including prominent pink and red blooms, interspersed with green leaves and grass. The brushwork is visible and expressive, characteristic of the Impressionist style.
