ART DE LYS ————— 135 ANS —————

Depuis 1890, Tissage Art de Lys crée, tisse et confectionne des collections de motifs jacquard haut de gamme pour décorer les intérieurs d'aujourd'hui et de demain. Les ateliers sont situés à Lys-Lez-Lannoy, au cœur du bassin textile historique du Nord de la France.

Tissage Art de Lys est le garant d'un savoir-faire d'exception hérité du Moyen-Âge et unanimement reconnu en France et à l'international. Un partenariat régulier avec la RMNGP (Réunion des Musées Nationaux et Grand Palais) témoigne d'une fabrication de grande qualité. En 2013, l'entreprise Tissage Art de Lys a été distinguée par le label EPV (Entreprise du Patrimoine Vivant). Le label EPV est attribué par le Ministère de l'Economie, de l'Industrie et de l'Emploi, et est l'unique distinction d'Etat associée à la reconnaissance des savoir-faire d'exception.

De la réalisation des motifs au produit fini en passant par le tissage, les ateliers de Tissage Art de Lys regroupent l'ensemble de la chaîne de production, garantissant ainsi une fabrication 100% française. La création, le tissage et la confection sont réalisés sur le même site. Cette proximité est un gage de qualité et de réactivité. Le choix de matières premières de qualité fait également partie des exigences de l'entreprise, qui s'attache à sélectionner des fournisseurs partageant les mêmes valeurs de raffinement et d'exigence environnementale. Nous privilégions également les fournisseurs géographiquement proches. Ce choix permet la réactivité, la précision et l'échange qualitatif.

Since 1890, Tissage Art de Lys has been designing, weaving and manufacturing collections of top-of-the-range jacquard patterns to decorate the interiors of today and tomorrow. The workshops are located in Lys-Lez-Lannoy, in the heart of the historic textile basin of Northern France.

Tissage Art de Lys is the guarantor of an exceptional know-how inherited from the Middle Ages and unanimously recognised in France and internationally. A regular partnership with the RMNGP (Réunion des Musées Nationaux et Grand Palais) testifies to the high quality of its production. In 2013, Tissage Art de Lys was awarded the EPV (Entreprise du Patrimoine Vivant) label. The EPV label is awarded by the Ministry of the Economy, Industry and Employment, and is the only State distinction associated with the recognition of exceptional know-how.

From the creation of the designs to the finished product, including the weaving, the Tissage Art de Lys workshops group together the entire production chain, thus guaranteeing 100% French manufacturing. The creation, weaving and manufacturing are all on the same site. This proximity is a guarantee of quality and reactivity. The choice of quality raw materials is also part of the requirements of the company, which is committed to selecting suppliers who share the same values of refinement, quality and environmental requirements. We also favour suppliers who are geographically close. This choice allows for reactivity, precision and qualitative exchange.
