

BROOKPACE
FINE ART
LONDON

What is Oleography

Oleography is a Victorian-era printing technique designed to replicate oil paintings. Brookpace Fine Art has re-invented the process using skilled craftsmen and up-to-date technology, creating a technique that captures all the texture, craquelure and character of an original oil painting. Each oleograph is a master-piece, carefully hand-crafted in England and mounted on museum-grade cotton canvas.

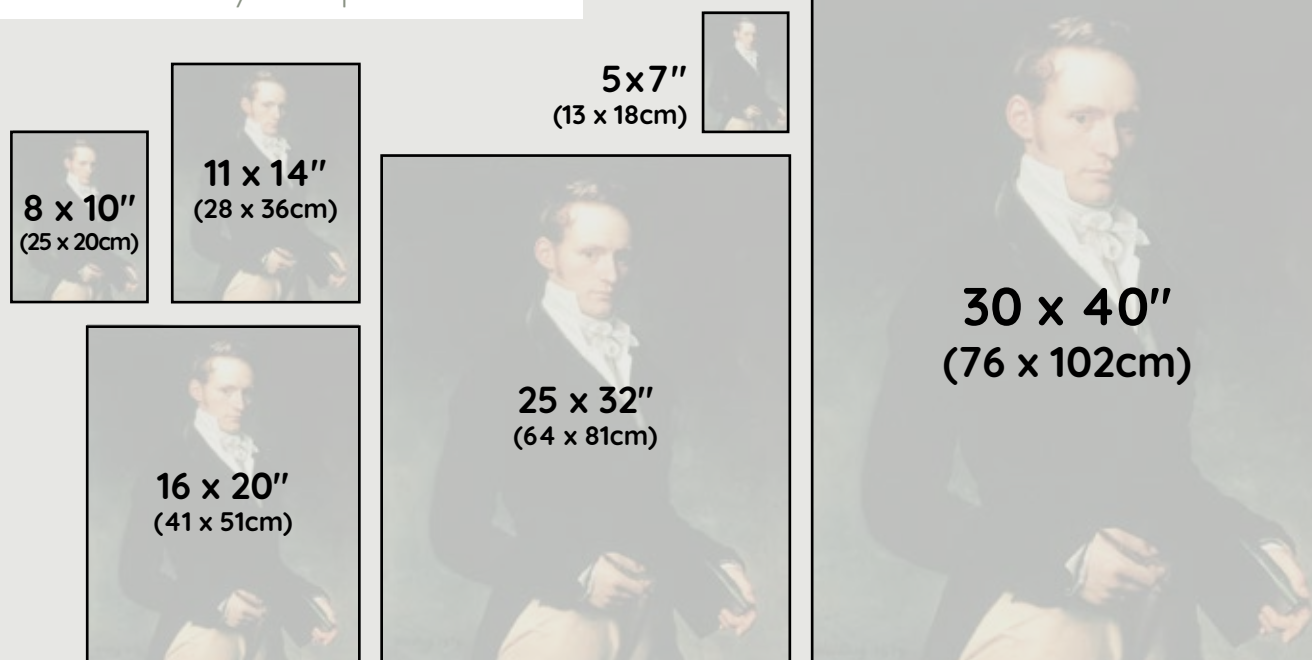

1 Choose your print

Choose from our extensive collection of more than 500 artworks, ranging from the Old Masters of Rembrandt and Vermeer, through animals and still-life, to quirky and fun modern juxtapositions.

2 Choose your print size

3 Choose your frame

Select from one of our 13 stunning frames, in a range of colours and from the simple to the ornate, all designed to fit with the style of oleography art.
