

KIMONORAIN, DO NOT CALL IT RAINCOAT

Kimonorain exceeds the concept of waterproof: its technical characteristics blend with the Japanese Kimono, the design and creation remain Made in Italy.

The idea is a waterproof, comfortable and versatile product, capable of adapting to all moments of the day;

Kimonorain manages to marry the personal style of the wearer not only thanks to its reversibility, but also thanks to its unique design and especially its fun colors. It is a Simple and Glamorous at the same time, Without ever losing that touch of originality.

A Jacket and a thousand other faces, Kimonorain suits every occasion; Being unisex makes it free from style constraints with his comfortable fit. It's perfect at all times because it's easy to wear and lightweight; It is also ideal for a layered look.

Made entirely of technical and waterproof material, Kimonorain is designed to be an indispensable accessory in all seasons, which wants to get rid of the injury to be used only when it rains. Its average weight and four seasons fit make it necessary for anyone who loves to travel, those who do sports and not only; The lightness of the inner padding makes it easy and easy to handle. Instead, the inner suspenders make it look like a backpack and the practical belt makes it easy to put it in your bag or suitcase!

Kimonorain is suitable for all occasions and for all people, so it becomes a unique accessory and always ready to be worn, there are no excuses for not having one!
