

## ABOUT US.

With only one production unit based in Dunkirk, we are the smallest of the big ones. But this is what makes the company strong today.

With 100 years of experience in fats and oils, we control all our processes and products. We also offer a micro-refining unit ranging from 250 kg to 2 tons.

## DID YOU KNOW THAT ?

# 200 000

is the number of tons that Daudruy has produced over 2022.

# 97 %

of the site's waste is recycled.

# 200

is the number of employees working at Daudruy.

# 15

is the number of tons refined in 2022 thanks to micro-refining.
